

Summer Program 2026

June 29th - August 28th
Hours: 7:30am-5:00pm

Curriculum Overview

During the month of **July**, the children will be introduced to the **Solar System**, where they will explore planets and basic concepts related to space.

In **August**, the children will focus on learning about their **Body Senses**, including: Ears (Auditory), Eyes (Visual), Nose (Olfactory), Tongue (Gustatory), Tongue (Gustatory), Touch (Tactile).

- They will also be introduced to major **Body Systems**, such as: Digestive, Muscular, Skeletal, Respiratory and Circulatory.

The **human body curriculum** will continue throughout the month of **September**, allowing children to deepen their understanding through hands-on exploration and discussion.

Each morning, children also participate in the regular **Montessori work period**, which includes the four major curriculum areas:

- **Practical Life:** Focuses on self-help skills, care of the environment, and grace and courtesy.
- **Sensorial:** Develops and refines the child's senses through hands-on materials.
- **Language Arts:** Develops receptive language skills such as listening and reading, as well as expressive language through speaking and writing.
- **Mathematics:** Builds skills in linear counting, understanding quantity and symbol relationships, base ten concepts, and basic operations.
